## HOW TO WIN SPOT PRIZES

To be in the running to win spot prizes, make sure you bring one of your rod tags down to the soundshell from 3pm and place in the appropriately marked barrels. The Horsham Fishing Competition would not be possible without the support of the local community and the many local businesses who contribute thousands of dollars worth of prizes and spot prizes, as well as those who donate goods for the running of the event. Their generosity is much appreciated and the committee would like to sincerely thank them. Please check out our sponsor board at the soundshell and support those who support us.
